Sweet Story Writing Prompt

There are some interesting candy bar names. You will be creating a story using the names of at least 5 candy bar names as people, places, things, events, etc. When you are finished with all stages of the writing process, you will publish your final copy in the computer lab using your knowledge of Microsoft Word. You will have to center your title, indent your paragraphs, space words and sentences appropriately, and change the font of the candy bar names. You will be typing your story using the font Times New Roman. Each candy bar name should have a different font. Since you will have 5 different candy bar names, you will have 5 different fonts. Look at the scoring guide to see how you will be assessed.
