

Name _____

Date _____

After deciding on your theme, you need to think about what type of food you will be serving. Create a web for 6 different food items that you are going to serve at your restaurant. Include 5 different adjectives for each food item you have chosen. Remember to use the different types of adjectives that we have talked about in class.

Scoring Guide

- 4- The student accurately uses a variety of adjectives to describe the food items.
- 3- The student uses adjectives to describe the food items.
- 2- The student uses some appropriate adjectives to describe the food items.
- 1- The student does not use appropriate adjectives, or does not have the required amount of adjectives.
- 0- Other
